

## Event Information

---

# Virtual Forum for Risks in the Information Communication Technology Supply Chain: October 29, 2021

The Virtual Forum for Risks in the Information Communication Technology Supply Chain will allow selected speakers to address the policy objectives listed in E.O. 14017 including recommendations to strengthen the resiliency of critical supply chains supporting the U.S. ICT industrial base that are at risk of disruption, strain, compromise or elimination.

### Lead participants

- U.S. Department of Commerce - Bureau of Industry and Security (BIS)
- U.S. Department of Commerce – International Trade Administration (ITA)
- U.S. Department of Homeland Security - Cybersecurity and Infrastructure Security Agency's (CISA) National Risk Management Center
